

Light Industrial Panel Solution

Today, more and more customers are looking for advanced services such as round-the-clock service or just-in-time delivery. Service automation enables the exchange of information and communication between administrators and clients through the thin, low power consumption portable devices that fit with many circumstances. Upgrade your service platform with IEI service automation solutions, which have advanced communication functions and solid mechanical characteristics. These solutions help you keep up with your customers while staying a step ahead of the competition.

Light Industrial Panel PC Product Line

AFOLUX GEN III PPC

New

Sleek outlook, easy installation interactive PPC
